Joel Stewart

stewart.joel@yahoo.com ● (518) 603-9228 ● github.com/oldwinterton

"[Joel Stewart] is one of the hardest working people I know." -- Tony Berman, bassist and educator	*"[Joel Stewart] came to a functional understanding of Python in a remarkably short period of time." -- Savanna Evans, former Conduent employee*

Summary:

Five years of experience in SQL development, query optimization, performance tuning, and writing reports. My history is in data conversion, operating with SQL, augmented by various programming languages. I am proficient in database management, scripting, and problem-solving. I excel in collaborative environments and am dedication to delivering high-quality solutions on time.

Highlights:

-- Skilled in SQL Server, Oracle SQL, MySQL, and others, with a focus on migrating data from various sources into SQL databases.
-- Familiarity with navigating massive datasets for permitting and software, court management software, and financial data.
-- Familiar with reports writing using software such as Microsoft Report Builder, Power BI, and Tableau.
-- Strong communication and interpersonal skills, with experience working with diverse teams and clients.

Experience:

May 2022 – Present **sCube Enterprise, Inc. – *Data Conversion Developer*** Schenectady, NY
• Developed and executed scripts in SQL and Python to facilitate data conversions from various source databases into Accela and Benchmark.
• Investigated and resolved technical issues related to sql scripts and proprietary conversion software, contributing to smoother implementation processes.
• Managed sensitive information, taking periodic courses to ensure compliance.

Dec 2019 – May 2022 **Conduent – *Senior Data Analyst*** Albany, NY
• Converted legacy Perl scripts to Python for improved efficiency and maintainability.
• Utilized Python, Perl, and SQL to manipulate data in Viewpoint and Relativity, working with large datasets and metadata.
• Collaborated with colleagues in the United States and India to deliver solutions tailored to client needs.

May 2016 – Dec 2019 **Capital Roots – *Delivery Specialist*** Troy, NY
• Identified potential and active clients; mapped those clients using google maps and JavaScript.
• Coordinated and managed bulk food delivery to various locations; trained personnel and worked with a team of coworkers and volunteers to ensure timely and accurate distribution.
• Established positive relationships with clients and vendors, enhancing the organizations reputation for reliability.

Feb 2008 – May 2016 **Aperitivo Bistro – *Food Runner*** Schenectady, NY
• Provided exceptional customer service while coordinating food delivery and assisting with various restaurant tasks.

Miscellaneous Information:

Bachelor's degree; pilot's license; formal music education, primarily on trumpet; former band leader; plane owner.
